Publishing Division:

PHARMA PRO&PACK

PHARMA PRO&PACK – an official quarterly magazine of the Indian Pharma Machinery Manufacturers' Association (IPMMA) is being marketed, compiled, edited, and published by GPE Expo Pvt. Ltd. The Magazine features on latest technologies and trends to disseminate the information to the pharma fraternity.

PHARMA TECHNOLOGY INDEX

- The publication division of GPE has brought out Asia's PHARMA TECHNOLOGY INDEX - a comprehensive resource directory on the allied industries in the pharma sector. The directory is aimed at furnishing vital information about the manufacturers / suppliers of pharmaceutical processing, packaging material and machinery, bulk drugs, additives and raw materials, laboratory instruments & supplies, environment and pollution control equipment and services as well as allied pharma services like consultants, testing laboratories, trade association and trade publications.
- The directory has 9,000 companies listed on it under 15 essential segments and more than 300 products / services categories.
- The Directory is being widely circulated among the trade professionals in India, Bangladesh, Nepal, Malaysia, and Pakistan.
- All the seven editions of PHARMA TECHNOLOGY INDEX have received respectable status from the publishing industry for its authenticity.
- The Eighth Edition is under compilation and will soon be launched the updated edition in the market.
